

How to reach the Boat trip venue

Date: Wednesday 30th May, 2018

Venue: The boat will leave from “Nybrokajen, kajplats 9” (<https://goo.gl/maps/N72NZtJffVH2>) at 17:00 and get back around 21:00 the same day.

The venue is nearby, around 2.8 km from AlbaNova. You may get there by bus/metro/taxi/ or even by walking from AlbaNova.

By Bus: It will take ~30 mins to reach there. The nearest bus stop to AlbaNova is “Ruddammen”. From here you need to take bus no. 61 (going towards Hornsberg), which departs in every 15 mins, and get off at “Roslagsgatan” (5th stop, travel time: ~ 6 mins). Then cross the road and you will see a supermarket “COOP” in front of you. Keeping COOP on your right take the right turn and continue walking on the footpath for 1-2 mins (~100 m) until you arrive at a bus stop, named Jarlaplan. From Jarlaplan take bus no 2 and get off at the 5th stop “Stockholm Karl XII:s torg” (travel time: ~12 mins). From here walk for ~ 4 mins to reach the destination. Here’s the walking directions given.

From the bus stop first head South on Kungsträdgårdsgatan toward Strömgatan.

Then turn left onto Södra Blasieholmshamnen.

Next turn left onto Stallgatan.

Then turn right onto Nybrokajen. The destination will be on the right.

By metro: Walk from AlbaNova to Tekniska Högskolan metrostation. Take metro 14 towards Tcentralen and get off at the 2nd stop Östermalmstorg. From here walk ~6 mins (500 m) to reach the destination. Here’s the walking directions given.

Head southeast on Birger Jarlsgatan toward Mäster Samuelsgatan.

Then turn right at Hamngatan.

Next turn left at Nybroplan.

Then turn right at Nybroplan.

Then turn left onto Nybrokajen. The destination will be on the right.

To avail bus/metro or any public transport in Stockholm you need to get SL tickets. For information about tickets fares, places to purchase tickets, etc. please visit this website <https://sl.se/en/fares--tickets/> . Please note that you cannot purchase a ticket onboard the buses, onboard most of the trams and light railway trains, or onboard commuter ferries.

By foot: Follow the instruction given here

By taxi: You may book a taxi from the following website.

<https://www.taxistockholm.se/en/>

However, around 16:30 there will be a lot of traffic in the road. So, we do not recommend you to take a taxi (time consuming + expensive). The most convenient way to get there is either by metro (preferred)/bus/foot.
